

KNES Seasonal and Halloween Art Competition

Key Stage 2 & 3

- At KNES, we have always thrived on showing off the talents and abilities of the young people who attend our school. However, we feel that it is extra important now, in the time of the Corona Virus pandemic, to boost spirits and hold onto the sense of togetherness and community that we value so highly here. Therefore, students from Year 6-9 were given the opportunity to take part in an art competition, based on the month of October. Many pupils chose to focus on Halloween but a select few created paintings and drawings relating to the changing of the seasons and autumn. There was a tremendous amount of work submitted and the standard was exceptional.

Well done to all those who took part!
