## Primary Swimming lesson Academic year 2022-2023

Dear Parents,

I welcome you all to this new academic year, wishing you all the best. As you all know, the PE department couldn't conduct swimming for the past two years as a safety measure against Covid. But now, as more people are vaccinated and as covid starts to fade away, it's with great pleasure we announce the continuance of swimming for this academic year which will start on the 2<sup>nd</sup> of October. Please note that even though Covid has faded away, safety measure will still be taken in the swimming pool. In each swimming class there will be a lifeguard that will supervise the student's safety during the swimming lesson. Please can you ensure that your child has the following kit:

- Swimsuit.
- Swimming Cap -To be purchased from the school uniform shop-4KD.
- Towel
- Flip flops to wear between the changing room and pool area.

Please note that swimming timetable has been given to your child's form tutor.

Best wishes,

Mrs. Gaythree  
Academic Director

Mr. Tamer  
Head of PE Department
