

## Health and Safety Policy

This statement is issued in accordance with the Health and Safety laws of UK Best Practice and within the requirements of the Kuwait Ministry of Education and Kuwait Ministry of Social Affairs. It supplements the statements of health and safety policy which have been written by the Department of Education. This Policy also seeks to support the U.K. Safeguarding features of “Keeping Children Safe in Education”. The general aims of these policy statements are accepted and the arrangements set out below are designed to implement the general aims of Kuwait National English School.

### General Guidelines

It is the policy of the Governing Body, so far as is reasonably practicable, to:

1. establish and maintain a safe and healthy environment throughout the school;
2. establish and maintain safe working procedures among staff and pupils;
3. make arrangements for ensuring safety and absence of risks to health in connection with the use, handling, storage and transport of articles and substances;
4. ensure the provision of sufficient information, instruction and supervision to enable all employees and pupils to avoid hazards and contribute positively to their own health and safety and to ensure that they have access to health and safety training as appropriate or as and when provided;
5. maintain all areas under the control of the Governing Body, School General Director and School Directors in a condition that is safe and without risk to health and to provide and maintain means of access to and egress from that place of work that are safe and without risk;
6. formulate effective procedures for use in case of fire and for evacuating the school premises;
7. lay down procedures to be followed in case of accident;
8. teach safety as part of pupils' duties where appropriate;

9. formulate a lockdown procedure for both external and internal dangers

### **Responsibility of the Governing Body and School Directors**

The Governing Body, General School Director and School Directors are responsible for implementing this policy within the school. In particular they will:

1. monitor the effectiveness of the safety policy and the safe working practices described within it and shall revise and amend it, as necessary, on a regular basis;
2. prepare an emergency evacuation procedure and arrange for periodic practice evacuation drills (normally at least once a term) to take place and for the results of these to be recorded;
3. prepare an emergency lockdown procedure and arrange for a practice lockdown drill at least once per academic year.
4. make arrangements to draw the attention of all staff employed at the school to the school and departmental safety policies and procedures and of any relevant safety guidelines and information issued by the Authority;
5. make arrangements for the implementation of the schools accident reporting procedure and draw this to the attention of all staff at the school as necessary;
6. make arrangements for informing staff and pupils, of relevant safety procedures. Other users of the school will be appropriately informed;
7. ensure that regular safety inspections are undertaken. (A Health & Safety Officer will inspect all school premises and property once a month.);
8. arrange for the withdrawal, repair or replacement of any item of furniture, fitting or equipment identified as being unsafe by the Health and Safety inspection team;

9. report to the school management team any defect in the state of repair of the buildings or their surrounds which is identified as being unsafe and make such interim arrangements as are reasonable to limit the risk entailed.

N.B. The Governing Body will deal with all aspects of maintenance which are under their control.

10. identify any member of staff having direct responsibility for particular safety matters and any member of staff who is specifically delegated to assist the Governing Body and School Directors in the management of health and safety at the school. Such delegated responsibility must be defined as appropriate.

### **Duties of the Health and Safety Officer**

The delegated person shall:

1. assist the School General Director in the implementation, monitoring and development of the safety policy within the school;
2. monitor general advice on safety matters given by the ministry and other relevant bodies and advise on its application to the school;
3. co-ordinate arrangements for the design and implementation of safe working practices within the school;
4. investigate any specific health and safety problem identified within the school and take or recommend (as appropriate) remedial action;
5. assist in carrying out regular safety inspections of the school and its activities and make recommendations on methods of resolving any problems identified;
6. ensure that staff with control of resources (both financial and other) give due regard to safety;
7. co-ordinate arrangements for the dissemination of information and for the instruction of employees, students, pupils and visitors on safety matters and to make recommendations on the extent to which staff are trained.

## **Responsibilities of Staff towards Pupils and Others in their Care**

All staff are responsible for the health and safety arrangements in relation to staff, students, pupils and volunteer helpers under their supervision. In particular, they will monitor their own work activities and take all reasonable steps to:

1. exercise effective supervision over all those for whom they are responsible, including pupils;
2. be aware of and implement safe working practices and to set a good example personally. Identify actual and potential hazards and introduce procedures to minimise the possibility of mishap;
3. ensure that any equipment or tools used are appropriate to that use and meet accepted safety standards;
4. provide written job instructions, warning notices and signs as appropriate;
5. provide appropriate protective clothing and safety equipment as necessary and ensure that these are used as required;
6. minimise the occasions when an individual is required to work in isolation, particularly in a hazardous situation or on a hazardous process;
7. evaluate promptly and, where appropriate, take action on criticism of health and safety arrangements;
8. provide the opportunity for discussion of health and safety arrangements;
9. investigate any accident (or incident where personal injury could have arisen) and take appropriate corrective action;
10. provide for adequate instruction, information and training in safe working methods.

## Responsibilities of all Employees

All employees have a responsibility :

1. take reasonable care for the health and safety of themselves and of any person who might be affected by their acts or omissions at work;
2. co-operate with the School General Director and others in meeting statutory requirements. not interfere with or misuse anything provided in the interests of health, safety and welfare;
3. make themselves aware of all safety rules, procedures and safe working practices applicable to their posts; where in doubt they must seek immediate clarification from the School General Director.
4. ensure that tools and equipment are in good condition and report any defects to the School Health and Safety Officer.
5. use protective clothing and safety equipment provided and ensure that these are kept in good condition;
6. ensure that offices, general accommodation and vehicles are kept tidy;
7. ensure that any accidents, whether or not an injury occurs, and potential hazards are reported to the School Health and Safety Officer.

***WHENEVER AN EMPLOYEE IS AWARE OF ANY POSSIBLE DEFICIENCIES IN HEALTH AND SAFETY ARRANGEMENTS SHE/HE MUST DRAW THESE TO THE ATTENTION OF THE HEALTH AND SAFETY OFFICER.***

Please note the following:-

1. It must be realised that newly appointed employees could be particularly vulnerable to any risk and it must be ensured that all relevant health and safety matters are drawn to their attention at an early stage.
2. Whilst it is a management responsibility to instruct all employees in safe working procedures in relation to their posts and work places, employees may from time to time find themselves in unfamiliar environments. In such cases, the employee concerned should be particularly alert for hazards, and whenever possible, ensure they are

accompanied by a person familiar with the environment or that they are advised of specific hazards.

### **Responsibilities of Pupils**

All pupils are expected, within their expertise and ability, to:

1. exercise personal responsibility for the safety of themselves and their fellow pupils;
2. observe standards of dress consistent with safety and/or hygiene (this would preclude unsuitable footwear, knives and other items considered dangerous;
3. observe all the safety rules of the school and in particular the instructions of the teaching staff in the event of an emergency;
4. use and not willfully misuse, neglect or interfere with things provided safety purposes.

N.B. The Governing Body and School Directors will make pupils (and where appropriate the parents) aware of these responsibilities through direct instruction, notices and the school handbook.

### **Visitors**

Regular visitors and other users of the premises (e.g. contractors and delivery men) are expected, as far as reasonably possible, to observe the safety rules of the school.

### **Fire and Emergency Evacuation Procedures**

1. The school's procedures for fire and emergency evacuation are posted in every room and displayed around all areas of traffic in the school. They are also posted in the school entrance hall.
2. These procedures will be updated as appropriate.
3. The log book for the recording and evaluation of practice and evacuation drills is available.

## **Fire Prevention Equipment**

Arrangements are made to regularly monitor the condition of all fire prevention equipment. This would include the regular visual inspection of fire extinguishers and the fire alarm system.

**First Aid and Accident Reporting Procedures** (see First Aid Policy for detailed policy and procedure)

1. First aid is available in the Staff Room and an additional first aid box are available at observable intervals around the school.
2. The person responsible for administering the accident reporting procedure, the notification of serious accidents causing death or major injury and dangerous occurrences is the school nurse. The arrangements for first aid for sports, outdoor pursuits and field trips are the responsibility of the supervising staff.
